Regent's Senior Level Health Care Executive Award

Mark Hamilton, FACHE

Mark Hamilton has been chosen to receive the 2013 ACHE Regent's Senior Level Healthcare Executive Award. Mark is a health care professional most deserving of this award. Academically prepared with a Bachelor's degree in business administration and a Master's degree in public health, Mark has been the vice president of ambulatory services for the University of Wisconsin Health System from 1997 through 2001,

and as the vice president of ambulatory services for UW Hospitals and Clinics from 2001 to the present.

In addition, Mark brings many years of dedication and involvement with the American College of Healthcare Executives, as well as a passion for its ethics and purpose. He has been faithfully involved with ACHE since 1978. Mark has had an extensive career in the various aspects and levels of health care which have served him well, and he has proven himself to be a strong leader within ACHE and our Wisconsin Chapter of ACHE. Mark has been the recipient of the Wisconsin ACHE Regent Senior Level Leadership Award and the ACHE Exemplary Service Award. His professional affiliations within ACHE include:

- Wisconsin Regent, 2010-2013
- ACHE Counselors Committee, 2013
- ACHE, WI Chapter President, 2008 – 2009
- ACHE Research Committee, Board of Directors, 2004-2006, and Board Chair, 2008-2009
- ACHE Career Development Committee, 2008-2010, and Committee Chair, 2009
- National Program Committee, 2004-2005

In addition to his work with ACHE, Mark has been very committed to volunteering in his community. He currently serves on the Board of Directors of United Cerebral Palsy of Dane County; chairs the Ambulatory Benchmarking Steering Committee for the University Health System Consortium at the national level; volunteers for the Overture Center of the Performing Arts in Madison; and, participates in bike tours for multiple sclerosis and Boys and Girls Club of Madison.

Because of his exceptional work with ACHE, his experience, and his contributions within the different levels of health care, we are pleased to present to Mark Hamilton the 2013 Senior Level Healthcare Executive Award.

Regent's Early Career Healthcare Executive Award

Wendy Horton, PharmD, FACHE

Wendy Horton has been chosen to receive the 2013 ACHE Regent's Early Career Healthcare Executive Award. Wendy is a health care professional who is very deserving of this award. Academically prepared with a Bachelor of Science degree in Pharmacy and Doctor of Pharmacy degree, Wendy is projected to complete her Master of Business Administration in 2015. Wendy has served in various roles beginning as a

staff and clinical pharmacist in 2001, promptly followed by technology assessment program manager and clinical pharmacist in 2005, then advancing to senior clinical pharmacist in 2008, and most recently serving as the director of surgery for UW Health, University of Wisconsin Hospitals and Clinics, starting in 2009.

In addition, Wendy brings dedication and involvement with the American College of Health Care Executives, having completed the Wisconsin Chapter of ACHE leadership development program in 2011, advancing to Fellow with ACHE, and being elected as a Wisconsin Chapter board of director member with direct responsibility as the leadership development program leader. She has involved herself with ACHE, and Wendy has our gratitude for various chapter initiatives including, most recently, the promotion of our brand through the visual enhancement of our logo.

Because of her ongoing contributions to ACHE, our Wisconsin Chapter of ACHE, and our health care profession, we are pleased to present to Wendy Horton the 2013 Early Career Healthcare Executive Award.
