2009 Global Vision Community Partnership Award

The Award

The Global Vision Community Partnership Award was established in 1993 by the WHA Foundation.

The Award's goal is to provide recognition, financial support and public awareness of a community health initiative or project, created in partnership with a WHA member, that successfully addresses a documented community health need. Partnerships must reach across the community or population served, and the program must be an active, ongoing enterprise at the time of the nomination.

The 2009 Program

The Award is designed to recognize ongoing community initiatives that may be models for addressing community needs for other regions of the state. By requiring the project to be in existence for two years, the award acknowledges initiatives that are sustainable and demonstrate meeting documented needs and producing measurable outcomes.

Award Criteria

To be eligible for selection, the project must:

- Be nominated by a WHA member.
- Be an ongoing program, in existence for a minimum of two years.
- Address a documented community health need.
- Use a creative or innovative approach to addressing the need.
- Incorporate a collaborative approach or partnership in development and implementation of the program.
- Produce measurable result

Nomination Process

Any Wisconsin Hospital Association member can nominate a project for the Award. Complete the nomination form contained in this brochure. Completed nominations must be received by the WHA Foundation by July 15, 2009.

Award Selection Process

A panel of judges will select the winning projects. All nominees will be notified of the final selection. The Award will be presented at the WHA Annual Convention on September 24, 2009.

Winners will receive a commemorative plaque and a \$2,500 unrestricted grant for the winning program.

For More Information

If you have questions about the Award, contact Jennifer Frank at the WHA Foundation, 608-274-1820, or email jfrank@wha.org. Additional brochures are also available on the WHA Web site: www.wha.org.

Nomination Form

*Entries must be received no later than 5 p.m. July 15, 2009
(Fax and email entries accepted)*
