

2008 Community Benefits Annual Report

Limited Copies Available

The 2008 WHA Community Benefits Report is a valuable tool for communicating the local and statewide benefits that hospitals provide in the communities they serve. The report contains more than 230 stories from Wisconsin hospitals, along with the statewide community benefit financial statement. It is useful as a leave-behind for meetings with local officials, political leaders, hospital board members, and for meetings with other community health organizations as a project idea and resource guide.

The report and all stories submitted are posted to the WHA-sponsored Web site: www.wiservepoint.org.

All WHA member hospitals will receive BY MAIL 7 FREE copies of the WHA Community Benefits Report. If you would like to receive up to 5 more copies FREE, fill out and return this order form.

If you would like more than the 12 free copies, additional reports are available at a cost of \$5 each. Please fill out and return the order form below.
