Preparing the Chargemaster for 2019

Friday, November 30, 2018

8:30 am - 3:30 pm (*registration begins at 8:00 am*)

Glacier Canyon Lodge at The Wilderness Resort

45 Hillman Road, Wisconsin Dells, WI 53965

Phone: 1-800-867-9453

Program Description

This program will focus on helping you update your chargemaster for the 2019 reporting requirements and new chargemaster opportunities to keep you “in the know” for CPT and HCPCS coding revisions. As in previous years, it is anticipated every ancillary department of the facility’s chargemaster will be impacted by the new coding changes. Discussions will focus on requirements with revisions, as well as strategies for department staff education. This year’s program will once again be led by popular coding expert Glenda Schuler.

Who Should Attend

This seminar is targeted at individuals responsible for APCs, billing, revenue cycle management and chargemaster maintenance. The following individuals are encouraged to attend:

Coders/Managers/Directors; Chargemaster/APC Coordinators; Revenue Cycle Managers; Perioperative Services Directors, Health Information/Medical Records Managers; Directors of Patient Financial Services; Billing Office/Business Office Managers; Pharmacy Directors; Supply Chain and Purchasing Managers; Ancillary Departments; OR and Materials Management; Nurse Auditors; Compliance Auditors

Program Agenda

Contact Us:

For questions, contact Kayla Chatterton at 608-274-1820 or kchatterton@wha.org.

Program Objectives

Upon completion of this program, participants will be able to:

- Incorporate 2019 codes to individual facility's chargemaster
- Describe reporting scenarios for new CPT codes
- Identify impact of new reimbursement levels for APC payments
- Be prepared for the HCPCS code revisions, changes and additions beginning on January 1, 2019
- Understand the impact of status indicator changes for 2019
- Understand billing packaged items and services requirements for 2019 codes
- Understand changes to billing device-dependent APCs
- Understand the 2019 coding changes for drugs, radiopharmaceuticals and contrast, and the impact on your reimbursement
- Be prepared to improve new product implementation processes
- Understand importance of correctly billing add-on IPPS payments for new technology devices
- Be prepared to provide departmental-specific guidance in the proper reporting and utilization of the new codes
- Understand CMS instructions regarding accurate units of service
- Explain the importance of accurate revenue code assignment
- Be knowledgeable of the impact of accurate and complete reporting of supply/device costs and future payments
- Be knowledgeable of payment for new drugs not yet assigned a specific drug HCPCS code, and understand risk of billing non-formulary drug charges

About the Presenter

Glenda J. Schuler

Glenda J. Schuler, RHIT, CPC, COC, AHIMA-approved ICD-10-CM/PCS trainer, is vice president of Revenue Cycle Solutions for HealthCare Consulting Solutions. Schuler brings an extensive background in chargemaster, billing, operations, ICD-10-CM/MS-DRG coding and hospital CPT-4 coding, and has over 39 years of health care industry experience and expertise in all areas of health information, medical records, utilization review, patient access and business services. Additionally, she's an expert in third-party reimbursement, electronic submission of claims, billing and collections, and revenue cycle solutions.

As a health care consultant, Schuler's areas of expertise include ICD-10-CM/DRG coding, hospital CPT coding, APC education/validations, charge capture and chargemaster reviews. She has developed and conducted coding and reimbursement seminars and has been a featured speaker nationwide on the topic of Medicare ambulatory payment classification (APC) groups and their impact on hospital operations. She is an active member of the American Health Information Management Association (AHIMA) and the American Academy of Professional Coders, and is a nationally featured speaker for the American Academy of Professional Coders (AAPC), American Health Information Management Association (AHIMA), VHA, and Optum/Optum360.

Continuing Education

This program has prior approval of the American Academy of Professional Coders for 5.5 continuing education units.

Granting of this approval in no way constitutes endorsement by the Academy for the program, content or program sponsor.
