American College of
Healthcare Executives
for leaders who care

Wisconsin Chapter of the American College of Healthcare Executives Regional Networking and Education Program

Building a Foundation for a Culture on Your Journey to Excellence

Program:

Join us early for networking and breakfast.

- 7:30 - 8:00am: Registration, Breakfast, Networking
- 8:00 - 9:00am: Presentation and Q & A
- 9:00am: Adjourn

Learning Objectives:

- How to hire the right people
- Improve the patient experience
- Give "excellent care"

About the Presenter:

Mr. Brown is the founder and principal of Interim Healthcare Executive Solutions, Inc. Strategically oriented, superb people skills, excellent innovator of ideas and team builder with over 30 years of successful health care experience, positions ranging from staff nurse through chief nursing officer/chief operating officer and vice president of patient care services. Brown was an emergency room RN for several years as well as director of emergency services for a 500 bed acute care hospital in St. Louis. Brown served over 35 years of active and reserve services in the U.S. Navy, moving through the ranks from E-2 and retiring as a Captain.

Prior to joining founding Interim Healthcare Executive Solutions, Inc., Brown was the vice president of operations and clinical services at Centegra Health System in McHenry, Illinois. During his three years at Centegra Health System, he facilitated improvement of patient satisfaction scores from the 4th percentile to the 99th percentile. This ranking has been sustained over the past two years. As the interim vice president of patient services at Howard Young Medical Center, Brown implemented initiatives based on research and evidence based practice to move the patient satisfaction scores at Howard Young Medical Center Emergency Services from the lower 10 percent to the 85-90th percentile ranking within NRC+Picker Satisfaction Tool. As the patient experience coach for Ministry Health Care, Brown and the Ministry Health Care team members are recognizing dramatic improvement in patients overall satisfaction.

Friday, July 24, 2009
7:30 - 9:00am
