The registration form is titled "Registration" and includes the instruction "Create your account to read secure email." It contains the following fields: "Email Address:" (with a redacted value), "First Name:", "Last Name:", "Password:", and "Confirm Password:". A blue "Continue" button is located at the bottom of the form.

PPR Dashboard Access- Initial Login

4) The formerly encrypted email will contain your username and password as well as a link to access the dashboard

Hello ____,

The Department of Health Services of Wisconsin has partnered with Navigant Consulting, Inc. to create a Potentially Preventable Readmissions (PPR) Dashboard that will allow users to monitor their claims and view PPR data. Due to the highly sensitive nature of the PPR dashboard, individuals are required to reset their password immediately upon accessing the dashboard and every 90 days thereafter. Please review the password reset instructions attached.

A link for the PPR dashboard is below, along with the temporary user credentials:

Username: **USERNAME**
Password: **PASSWORD**
Login Link: https://analyticsuat.navigant.com/spotfire/wp/ViewAnalysis.aspx?file=/Wisconsin%20Medicaid/Dashboard/WI_DHS_DMS_PPR

We recommend you bookmark the above webpage for future use.

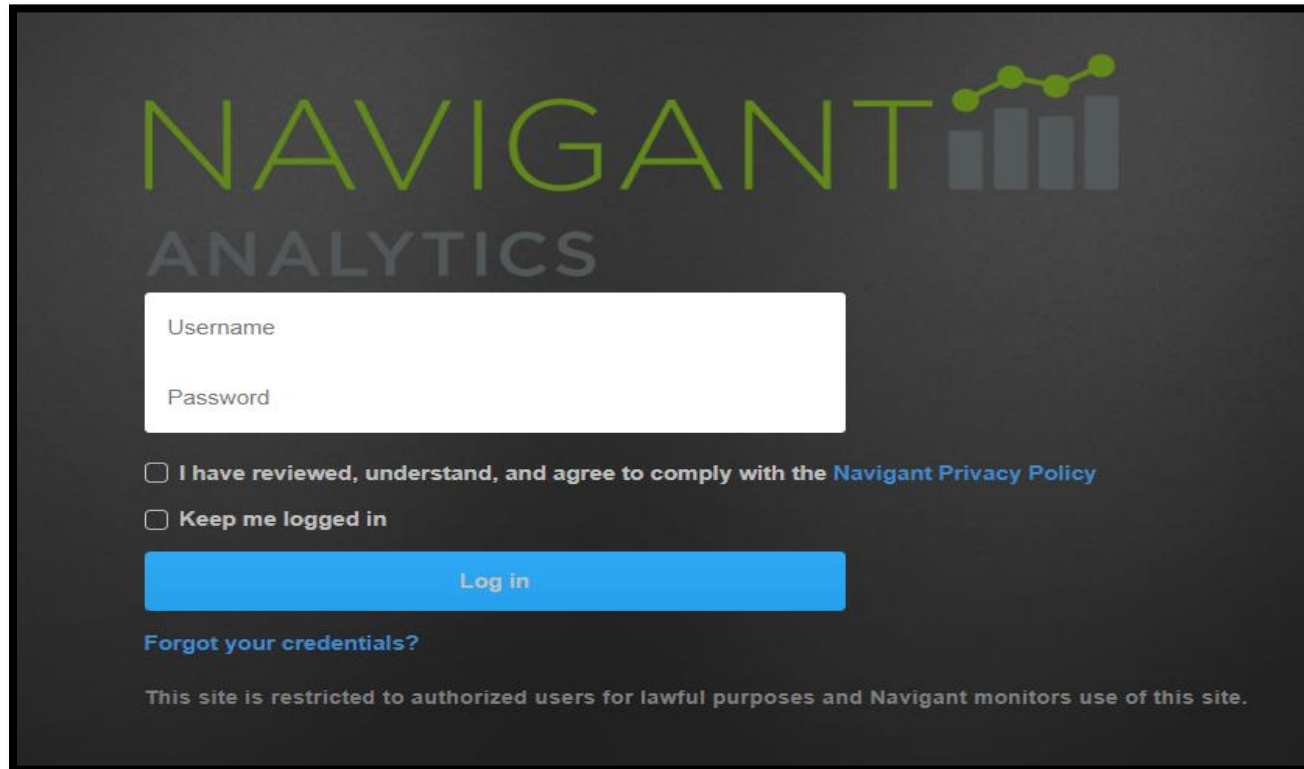

For questions or comments, please contact James Dirth at the Division of Medicaid Services, Bureau of Fiscal Management: James.Dirth@dhs.wisconsin.gov.

Thank You.
This email has been sent on behalf of the Wisconsin Division of Medicaid Services.

PPR Dashboard Access- Initial Login

5) Navigate to the dashboard login with your username and password and log in

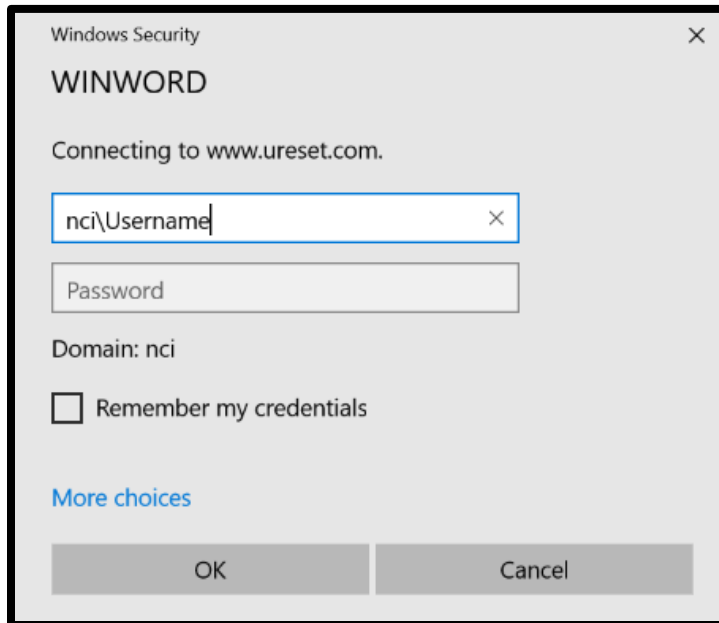

The screenshot shows the login interface for Navigant Analytics. The header features the text "NAVIGANT" in large green letters and "ANALYTICS" in smaller grey letters below it. To the right of the text is a green line graph with four data points and a bar chart with four bars. Below the header is a white login form with two input fields: "Username" and "Password". Under the form are two checkboxes: "I have reviewed, understand, and agree to comply with the [Navigant Privacy Policy](#)" and "Keep me logged in". A blue "Log in" button is positioned below the checkboxes. At the bottom of the form area, there is a link for "Forgot your credentials?". A footer note at the very bottom of the screenshot reads: "This site is restricted to authorized users for lawful purposes and Navigant monitors use of this site."

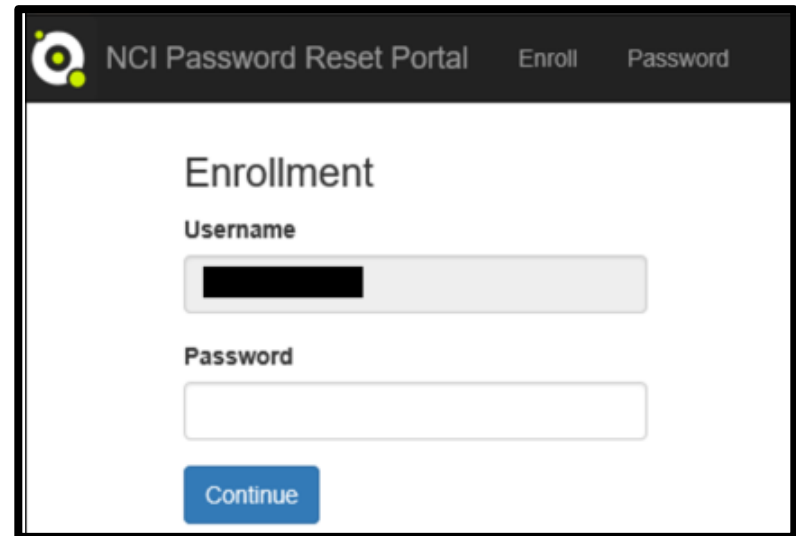

PPR Dashboard Access- Enrollment

6) You must enroll in a password management portal

DSH Audit

DSH Audit

Audit Process

- DHS met with interested hospital stakeholders earlier this year to discuss challenges with the DSH audit process
- Multiple changes to improve the process:
 - Earlier start and longer timeline to submit data
 - HMO claim and access payment data was provided by DHS
 - Many hospitals that previously needed to submit two years of data only needed to submit one year

DSH Audit

Current Status of FY15 Audit

- Myers and Stauffer is currently completing acceptability checklists to review hospital-submitted data
- Examination results will be communicated to hospitals in the late-August, mid-September timeframe

Additional Updates

Additional Updates

2017-19 Legislative Session Items

- Rural Critical Care Supplemental Payment (2017-19 State Budget)
 - Total of ~\$600,000 distributed to rural hospitals that meet DSH criteria except OB services
- Emergency Department Care Coordination (2017 Act 279)
 - Provides payments to hospitals that provide care coordination services
 - DHS is working through implementation details and will engage with CMS in the coming months
 - Pilot programs created prior to 9/1/18 or following CMS approval

Additional Updates

Access Payments

■ Managed Care

- As with prior years, 50% of May and June HMO access payments will be withheld
- Payments will be made as needed to reconcile to the statutory target amounts

■ Fee-For-Service

- Claims with dates of service in SFY 2018 will continue to pay with access payments into the fall
- Claims with dates of service in SFY 2019 will initially not pay with access payments until the updated rates are set, at which point retro adjustments will be made
