A) Provider-specific cost-to-charge ratio (CCR) from CMS Inpatient Provider Specific File (IPSF), April 2018 release

B) Imputed CCR indicates if the provider CCR value is (Y) or is not (N) imputed. Providers not published in the IPSF are assigned the state-wide CCR published in the CMS Inpatient Prospective Payment System (IPPS) 2018 Final Rule, Correction Notice, Table 8A CN and 8B CN.

C) Final CBSA assignment, reflecting all adjustments (i.e. reclassification), published in CMS IPPS 2018 Final Rule, Correction Notice, Table 2 CN and Table 3 CN.

D) Final wage index assignment, reflecting all adjustments (i.e. reclassification, out-migration, etc.), published in CMS IPPS 2018 Final Rule, Correction Notice, Table 2 CN and Table 3 CN.

E) Imputed Wage Index indicates if the provider is (Y) or is not (N) located in Table 2 CN of the CMS IPPS Final Rule. In-state providers not located in Table 2 CN are assigned the final wage index for the county they are geographically located in (Table 3 CN). Note that Border provider wage indexes are imputed to reflect the state-wide average wage index for the state they are geographically located in (Table 3 CN).
