American politics has become reality resistant. There's more polarization than ever. How can we be effective healthcare advocates? Contact representatives and encourage them to work across the aisle! @MaraLiasson

I was proud to hear about the great work the Wisconsin Hospital Association is doing so all residents of our state have access to high quality, affordable health care. Thank you to local representatives from Mayo Clinic Health System, Gundersen Health System and Crossing Rivers Health for advocating for the needs of our friends and neighbors in the Driftless Region.

Constituent Corner

It's been a busy start to 2018 with many committees, meetings and late night legislative sessions. No matter how busy it gets, I always make time for my constituents both in the district and those who visit the Wisconsin State Capitol.

Representative Allen with constituents Emily, Katie, Tevin, and Bridget
