Supporting health care quality and workforce initiatives statewide
The Focus of the WHA Foundation

The WHA Foundation, Inc. was formed in 1968 to support educational, research and charitable programs of the Wisconsin Hospital Association and its members. Today, the Foundation focuses its grant-making priorities on initiatives that have a statewide impact on health care in Wisconsin.

2020 Board of Trustees:
- Mary Beth White-Jacobs (Chair), President/CEO, Black River Memorial Hospital, Black River Falls
- Eric Borgerding, President/CEO, Wisconsin Hospital Association (WHA)
- Jenny Derks, Chief Administrative Officer, Ascension Calumet Hospital, Chilton
- Jeff Euclide, Chief Administrative Officer, Marshfield Medical Center, Ladysmith
- Kristie McCoic, Clinic Operations Officer, Gundersen St. Joseph’s Hospital & Clinics, Hillsboro

WHA Foundation Funding Programs

1. Health Care Quality and Safety Initiatives

The Foundation has supported a variety of quality and safety initiatives for more than 10 years, starting with the funding to develop, launch and upgrade CheckPoint, the first public website to provide consumers with clinical quality measures and error prevention practices for all hospitals in Wisconsin. Since 2016, the Foundation has provided funding for high fidelity simulation training to more than 60 hospital teams, focusing training in areas of sepsis/septic shock, high-risk OB scenarios, pediatric trauma and stroke.

2. Health Care Workforce Development

Addressing the workforce needs of Wisconsin health care providers has been a focus of the Foundation over the past decade. The Foundation supports the annual Foundation Scholars Program, providing two annual scholarships to each of the 16 technical colleges in Wisconsin. The unique twist is the scholarship covers expenses incurred in the student’s final semester, to assist and encourage students to make that one final push toward graduation and a career in health care. Since its inception in 2003, more than 400 scholarships have been awarded, worth more than $500,000.

3. Collaborative Community Health Initiatives

The WHA Foundation supports community health initiatives created in partnership with WHA members through its annual Global Vision Community Partnership Award. This award was established in 1993 with the intention of providing recognition and financial support to innovative and collaborative initiatives that meet a community’s health needs. A total of 42 Global Vision Awards have been presented since its inception, and the award includes a $2,500 unrestricted grant for each winning initiative.
“Friend of the Foundation” Annual Giving Levels
