

Fleurette Named WHA Office Manager

WHA is happy to announce that Laurie Fleurette has accepted the position of office manager effective Dec. 1.

Fleurette started with WHA in 2018 in the role of government relations coordinator. In this role, she supported government relations and public policy staff, member councils and work groups, and administered the Wisconsin Hospitals State PAC and Conduit. Prior to joining WHA, Fleurette held several office management roles that incorporated bookkeeping, administrative support and leadership, as well as human resources. She is a natural fit for the position and brings with her a strong work ethic and attitude of service and professionalism that the role requires.
