

Join WHA in Washington, D.C., April 24-25 for AHA Annual Meeting

WHA invites its members to join fellow Wisconsin hospital and health system leaders at the upcoming American Hospital Association (AHA) Annual Meeting April 24-25 at the Marriott Marquis in Washington, D.C.

The AHA Annual Meeting provides insightful programming and offers a great opportunity for networking and connecting with key decision makers on Capitol Hill on issues important to Wisconsin hospitals and health systems. In addition, WHA hosts several Wisconsin-specific events during the meeting, including an issues briefing luncheon, a members-only dinner, and WHA-scheduled Hill visits with Wisconsin's members of Congress.

WHA's issues luncheon and member dinner will be held on Monday, April 24, followed by a Capitol Hill lobby day on Tuesday, April 25. This is a great opportunity to share personal stories about how your hospital fits into the bigger picture of important federal health care policies. WHA will brief attendees on issues and facilitate all Hill meetings on members' behalf. With the new Congress bringing a change of leadership in the House of Representatives, this will be an important time for federal elected officials to hear directly from their hospital leaders as they begin their work on federal health care priorities.

Those interested in attending this year's meeting can [sign up on WHA's webpage](#) or contact WHA Vice President of Federal and State Relations [Jon Hoelter](#) with questions. Visit [AHA's website](#) for more details and registration information for AHA-specific programming.
