

2023 Education Topic Survey for Hospital Members

One of WHA's goals is to offer relevant, timely and valuable education. The educational topics that are offered primarily come directly from our membership. Please complete this brief survey, which will give you the opportunity to provide important feedback needed in order for WHA to continue to meet and exceed this goal. Take the survey at [2023 WHA Educational Topic Survey](#).

If you have any questions, please feel free to email education@wha.org.
