

Registration Open for 2023 Wisconsin Rural Health Conference

The much-anticipated 2023 Wisconsin Rural Health Conference will be held June 7-9 in Wisconsin Dells.

This annual conference is a statewide forum designed to highlight public policy and operations issues affecting rural health care, identify how the delivery of and access to rural health care are changing and identify ways in which data, technology and people processes are improving care and access for rural populations. The agenda is timely, relevant and engaging. You can find it [here](#).

This conference also includes a WHA Corporate Member exhibition, which brings you in contact with organizations who are truly committed to Wisconsin hospitals and health systems.

For more information on the conference, including registration, click [here](#).
