

Last Chance to Register for March 20 Advocacy Day!

Advocacy Day is right around the corner with less than a week until nearly 1,000 grassroots advocates gather in Madison for a day of learning and advocating on important health care issues facing our state.

This year's event will be held at the Monona Terrace in Madison on **Wednesday, March 20, 2024**, and will feature Rick Pollack, President and CEO of the American Hospital Association, for a moderated discussion with WHA President and CEO Eric Borgerding. Additionally, WHA will have an outstanding bipartisan legislative panel with Representative Robin Vos, Representative Greta Neubauer, Senator Devin LeMahieu and Senator Dianne Hesselbein.
