

Substance Use Disorders Management Boot Camp - Register now!

Join us for a **Substance Use Disorders Management Boot Camp** conference this spring. This training aims to enhance confidence and competencies related to the management of substance use disorders in general medical settings. Through case-based and interactive didactic content, the workshop will explore issues related to assessment, monitoring, prevention, and management in the setting of unhealthy substance use.

Who: This program is designed for physicians, advanced practice nurses, and nurses who wish to expand knowledge related to the medical management of opioid and alcohol use disorders

When: Thursday, May 4 and Friday, May 5, 2023

Where: University of Wisconsin- Stout, Menomonie, WI

To Register: <https://ce.icep.wisc.edu/content/substance-use-disorders-management-boot-camp-person-workshops-may-4-5-2023>

Cost: Free

For more information, visit <https://www.fammed.wisc.edu/protea/> or contact RHeSUS Program Director [Jill Lindwall](#) or Protea Outreach Coordinator [Kathleen Maher](#).

Training made possible by the Wisconsin Rural Health and Substance Use Clinical Support Program (RHeSUS). Funding was provided by the UW School of Medicine and Public Health from the Wisconsin Partnership Program (WPP).
