## Fourth Annual Health Care Quality Showcase in Conjunction with WHA's Advocacy Day

This event highlights the dedicated work of hospital staff to improve patient safety and the quality of care across the state. Attendees will also have the opportunity to view other WHA member hospitals initiatives, and to engage with elected officials, Advocacy Day attendees and the public to raise awareness of the important strides Wisconsin hospitals are making in ensuring safer, higher-quality care for all patients. The Wisconsin Hospital Association (WHA) invites member hospitals and health systems to attend and share their quality improvement initiatives at the Health Care Quality Showcase on the afternoon of Advocacy Day, February 25, from 1:30-3:30 p.m. at the Capitol Rotunda.
