Wisconsin Hospitals State PAC & Conduit Campaign Continues to Build Momentum

Next 2026 contributor list to be released next week

The 2026 Wisconsin Hospitals State PAC & Conduit campaign continues to build momentum, thanks to the strong support of hospital and health system leaders across Wisconsin. This year's fundraising goal is \$353,500, and the campaign runs through the calendar year.

The next list of 2026 contributors will be published in next week's edition of The Valued Voice. Those who have not yet made their contribution are encouraged to do so now to be included in the upcoming list.

The Wisconsin Hospitals State PAC & Conduit is a critical component of WHA's advocacy strategy, helping support candidates for state office who value Wisconsin hospitals and health systems.

Contributions can be made online at www.whconduit.com or by contacting WHA's Kari Hofer at 608-268-1816 or Nora Statsick at 608-239-4535. One-time and recurring contribution options are available.
