## Advocacy Day 2025 Photo In-Review

During this year's WHA Advocacy Day, 1,200 health care leaders, providers, hospital staff, trustees and volunteers from across Wisconsin traveled to the state's capitol, making it the largest Advocacy Day in WHA's history. Their strong engagement and advocacy played a vital role in amplifying the voice of Wisconsin's hospitals and health systems. To relive highlights from the day, we invite you to view the 2025 Advocacy Day Photo In-Review video and explore the full gallery of event photos [here](#). Photos are available for download, and we encourage you to share images featuring your organization's attendees. When posting on social media, please tag the Wisconsin Hospital Association and use the hashtag #WHAAdvocacyDay.

Thank you again to all who attended—we look forward to welcoming you back on February 25, 2026!
