Wisconsin Hospitals State PAC & Conduit Kicks Off 2026 Campaign

First 2026 contributor list to be released next week

The 2026 Wisconsin Hospitals State PAC & Conduit campaign is off to a strong start following a special breakfast for early contributors held prior to WHA's Advocacy Day on February 25 in Madison. This year's fundraising goal is \$353,500. The campaign runs through the calendar year, and early momentum is key to reaching this target.

The first list of 2026 contributors will be published in next week's edition of The Valued Voice. If you haven't yet made your contribution, now is the perfect time to join your peers in supporting this vital effort.

"Thank you to those who have already stepped forward to support the Wisconsin Hospitals PAC & Conduit in 2026," said Bob Van Meeteren, president & CEO, Reedsburg Area Medical Center and WHA 2026 Advocacy Committee Chair. "Early participation sends a strong message about the importance of a unified hospital voice. There is still time to be included in our first contributor listing, and I encourage those who have not yet contributed to join their peers and help us build strong momentum for the year ahead."

To contribute, visit www.whconduit.com or contact WHA's Kari Hofer at 608-268-1816 or Nora Statsick at 608-239-4535.
