"The 2022 fundraising campaign is off to a strong start," said WHA President and CEO Eric Borgerding. "As election season begins to ramp up, I invite everyone who values Wisconsin hospitals and health care in our state to participate and support candidates for state office who also value hospitals and health systems."

The Wisconsin Hospitals State PAC and Conduit 2022 goal is to raise \$340,000 from at least 315 individuals. Contributors can make a one-time contribution or set-up a recurring quarterly, monthly or bi-weekly donation. Donor club levels begin at \$1,500 (annual).
