## Register for Substance Use Disorders Management Boot Camp

- When: May 14 - 15, 2026
- Where: SSM Monroe Clinic, Monroe, Wisconsin
- Cost: Complimentary
- Register Here

Join a two-day training event on May 14 and 15 designed to enhance your knowledge and skills in

managing substance use disorders. The boot camp will cover key topics such as opioid use trends, opioid

use disorder management, motivational interviewing, extended-release buprenorphine products, chronic pain, harm reduction and more. You'll also learn about alcohol and stimulant use disorders, urine drug screens and peer support and local recovery resources. The event will include case discussions, Q&A sessions and networking opportunities. Don't miss this chance to deepen your expertise and improve your clinical practice.

Please feel free to share with physicians, physician assistants, advanced practice nurses, nurses and

behavioral health specialists who wish to expand their knowledge related to the medical management of opioid, alcohol and other substance use disorders.
