WHA Seeks Community Benefit Stories for 2025 Report - Due Oct. 3

WHA is seeking stories for its 2025 Community Benefits Report. An important component of WHA's Community Benefits Report, in addition to Wisconsin hospitals' financial contributions to community development initiatives, are stories submitted by our members highlighting the many ways you are making a difference within your community, over and above providing excellent health care.

These stories will be shared with legislators and other health care stakeholders and decisionmakers throughout the state. You can view last year's report and hospital stories [here](#).

We are looking for new stories in the following areas:

1. Charity Care/Free Clinics
2. Growing and Developing Our Health Care Workforce
3. Addressing Health Equity
4. Hospital-Supported Initiatives (from your community health needs assessment)

Stories and photos should be submitted using WHA's online form. **New this year, a MyWHA account is required to submit a story.**

The deadline for submitting stories is **Friday, Oct. 3**. If you have questions, contact communications@wha.org.
