## We're More Than Health Care - Celebrating National Hospital Week May 11-17, 2025

National Hospital Week, May 11-17, 2025, is an opportunity to celebrate Wisconsin hospitals and health systems and recognize the many ways they are more than health care, including ways they impact their communities beyond hospital walls.

From creating jobs to supporting education, youth sports, wellness initiatives and so much more, their impact reaches far beyond the bedside. Over the last year, Wisconsin hospitals and health systems provided over \$2.3 billion in community benefits and charity care. In addition, they employed more than 110,000 Wisconsinites and rank among the top states in patient satisfaction.

During the week, WHA will concentrate its social media messaging on celebrating Wisconsin hospitals and health systems and recognizing the many ways they are more than health care. We invite you to join us in this celebratory campaign. Please incorporate the hashtags #WIHospitals and #MoreThanHealthCare and tag WHA on the following platforms for maximum reach and engagement.

- Facebook
- LinkedIn
- Instagram
- X

For sample graphic templates and content for you to create your own posts celebrating the many ways your hospital or health system is more than health care, visit: [www.wha.org/hospital-week](http://www.wha.org/hospital-week).
