Leadership Development for Today's Clinical Leaders – Registration Open for New WHA 2027 Clinical Leadership Retreat

Same commitment to leadership development, a new opportunity to lead

Registration for the Clinical Leadership Retreat, formerly the Physician Leadership Development Conference, is now open. This new experience, based on member feedback, is designed to strengthen clinical leadership across Wisconsin.

Register Now

The retreat provides Wisconsin member hospitals and health systems with a valuable opportunity to support their clinical leaders and accompanying executives in building essential leadership skills, strengthening collaboration and staying informed on timely and critical issues facing health care.

Clinical leaders play a critical role in bridging clinical expertise with organizational priorities. Leadership roles often require clinicians to expand their focus beyond direct patient care to address organizational challenges, lead clinical teams and drive meaningful change within a dynamic health care landscape.

The Clinical Leadership Retreat creates an environment for clinical leaders and their respective executives to learn together, exchange perspectives and engage in real-time discussion and problem solving. Through presentations and educational sessions featuring subject matter experts and Wisconsin health care leaders, participants will gain insights and practical strategies to strengthen their leadership skills and navigate the challenges facing health care organizations today.

Event Details

- Date: February 19-20, 2027
- Location: The American Club, Kohler, WI
- Cost: \$775
- Registration: [Register here!](#)
- For event information, visit our [website](#).

Keynote Speaker Announcement

We are proud to announce that Nate Kaufman, one of the nation's health care industry experts, will be kicking off the retreat with a keynote presentation on regulatory burden.

To learn more about Nate's presentation, the retreat in general, and registration, [click here](#). Spots are filling up quickly. Please register today. We encourage group registrations, if possible, as you think about clinical leaders and/or other leaders who might benefit from this programming.
