## Hospital Board of Directors Education – Annual training being offered for WHA members only

WHA is proud once again to offer *Hospital Board Education: Keeping Your Board Apprised and Legally Compliant*. This dynamic education event is offered by WHA Corporate Member Quarles & Brady LLP.

This presentation is specifically designed to provide training, refreshers and updates on key legal compliance issues and fiduciary responsibilities for members of hospital boards of directors. The hospital law team from Quarles will provide education on board member duties, an overview of key health care regulatory issues and legal risks, guidance on managing medical staff matters from a board perspective, an update on important new legal developments in the last year and practical tips for the scope of board involvement in hospital operations.

At the conclusion of this training, attendees will be able to:

- Understand key legal compliance issues and fiduciary responsibilities.
- Identify strategies to manage medical staff matters from a board perspective.
- Describe new legal developments and practical tips for the scope of board involvement in hospital operations.

Continental breakfast and lunch will be included for individuals attending in-person.
