## Registration is NOW OPEN for WHA's Annual Rural Health Conference

The annual Wisconsin Rural Health Conference is a statewide forum designed to highlight public policy and operations issues affecting rural health care, identify how the delivery of and access to rural health care are changing and discuss ways in which data, technology and people processes are improving care and access for rural populations.

**REGISTER NOW!**

This conference has been designed to meet the educational needs of CEOs, administrators, chief financial officers, controllers, nurse executives, chief medical officers, medical directors, marketing/public relations directors, quality managers, risk managers, public health officials and hospital board of director members of rural health care organizations.

### Event Details
