Free Substance Use Disorders (SUD) Management Boot Camp

Join us for a hands-on, two-day training designed to strengthen your confidence and skills in managing substance use disorders. Learn through case-based discussions and expert guidance on diagnosis, medication integration (MOUD) and effective approaches to assessment, prevention and treatment.

Who Should Attend: Primary care providers, medical assistants, nurses, behavioral health staff, emergency department staff and residents who wish to expand their knowledge related to the medical management of opioid use disorders and co-disorders. Those looking to support MOUD efforts in their care settings are also encouraged to attend.

Agenda highlights include: Opioid Use Disorder 101, motivational interviewing, chronic pain management, extended-release buprenorphine, alcohol and stimulant use disorders, harm reduction strategies, peer support and emergency department collaboration.

November 6–7, 2025

Marshfield Medical Center – Beaver Dam

707 S University Ave., Beaver Dam, WI
