Election Season: Disburse Conduit Dollars Now

Wisconsin Hospitals State PAC & Conduit update

Heading into the final stretch before the November 3 General Election, the Wisconsin Hospitals State PAC & Conduit encourages Wisconsin Hospitals Conduit contributors to disburse their funds now.

As a reminder, individuals who contribute to the Wisconsin Hospitals Conduit retain full control over their funds. Once deposited, conduit funds remain until the account holder authorizes the release of those dollars to candidates or party committees of their choice. WHA staff can provide disbursement suggestions that align with WHA's overall election strategy which prioritizes candidates who support hospitals in Wisconsin.

"To maximize the impact of your contributions, we urge those with conduit balances to disburse their funds for the fall General Election by October 1st." said WHA Political Affairs Consultant Nora Statsick.

To check conduit balances or discuss disbursing conduit dollars to candidates, please contact Nora Statsick at nstatsick@wha.org or by phone at 608-239-4535.

The Wisconsin Hospitals State PAC & Conduit aims to raise \$353,500 this year. So far, \$290,793 has been raised, 82% of goal, thanks to the strong support of over 206 contributors.
