

Save the Date: Substance Use Disorders Management Boot Camp

Join us for a two-day training event May 15-16, designed to enhance your knowledge and skills in managing substance use disorders. The boot camp will cover key topics such as opioid use trends, opioid use disorder management, motivational interviewing, extended-release buprenorphine products, chronic pain, harm reduction and more. You'll also learn about alcohol and stimulant use disorders, hepatitis C, peer support and local recovery resources. The event will include case discussions, Q&A sessions and networking opportunities. Don't miss this chance to deepen your expertise and improve your clinical practice. We look forward to seeing you there!

Please feel free to share with physicians, physician assistants, advanced practice nurses, nurses and behavioral health specialists who wish to expand knowledge related to the medical management of opioid, alcohol and other substance use disorders.

When: May 15-16, 2025

Where: [Flat Creek Lodge and Conference Center](#), 10290 Highway 27 South, Hayward, Wisconsin
