## Wisconsin Hospitals PAC & Conduit Update

Wisconsin Hospitals State PAC & Conduit campaign is continuing its fundraising campaign. To date, 105 individuals have contributed a total of \$164,481—putting us at 47% of our \$350,000 goal. Thank you to everyone who has already supported this effort!

Now is the time to join more than a hundred of your peers and make your personal contribution. An updated list of contributors will be published next week in the August 7 edition of *The Valued Voice*—make your contribution today to ensure your name appears on it!

Whether you've given in previous years or are considering a first-time contribution, your support makes a difference.

For questions about the WH PAC & Conduit or how to contribute, contact Kari Hofer or Nora Statsick.
