Time is Running Out to Submit Your Nomination for the 2025 Global Vision Community Partnership Award

The WHA Foundation is proud to offer the opportunity once again for WHA member hospitals to submit a nomination for the annual **Global Vision Community Partnership Award**.

Nomination Deadline: Friday, August 15, 2025

The Global Vision Community Partnership Award was established in 1993 by the Wisconsin Hospital Association (WHA) Foundation. The Award's goal is to provide recognition, financial support and public awareness of a community health initiative or project, created in partnership with a WHA member, that successfully addresses a documented community health need. Partnerships must reach across the community or population served, and the program must be an active ongoing enterprise at the time of the nomination.

In addition to a plaque of recognition, the two winners also receive an unrestricted grant of \$2,500 each to continue to fulfill their work and mission.
