## ASPR-TRACIE Disaster Preparedness Training Opportunity

The Health and Human Services Administration from Strategic Preparedness and Response (ASPR) Technical Resources, Assistance Center, and Information Exchange (TRACIE), and the American College of Emergency Physicians are co-hosting the second Medical Leadership in Disaster Preparedness and Response Virtual Conference on May 11, 2026, from 11 a.m. - 3:30 p.m.

This free conference will bring together individuals who have a medical direction role during disasters to discuss the spectrum of medical leadership responsibilities and some of the specific challenges of the role.

Topics will include:

- Developing/implementing best practices during a disaster.
- Navigating downtime.
- Using data for action.
- Learning about the new disaster medicine subspecialty.
- Discovering health care surge tools.

To learn more and register for the conference, [click here](#). Continuing medical education (CME) credits will also be available.
