Last Chance to Register for careLearning Webinar

careLearning is a longstanding learning partner of WHA and offers a wide array of products and solutions for your health care and compliance education needs. Due to this partnership, WHA member hospitals are offered exclusive discounts and fee waivers across multiple product lines.

We are excited to invite you to a comprehensive webinar presentation on **October 30, at 10:00 a.m.** to share with you more about careLearning's premier Learning Management System (LMS) and educational offerings.

careLearning's LMS is widely utilized across health care facilities nationwide and is known for providing cost-effective eLearning solutions, ensuring regulatory compliance needs are met and effectively tracked and providing access to a wide variety of healthcare-related courses. Their platform allows users to create unlimited facility-specific courses, manage instructor-led meetings and generate comprehensive reports with ease.

For more information and to register, click here.

Areas Covered in the Session

- Discover who careLearning is and what they have to offer including their LMS and full course catalog.
- Learn how their system will assist your organization in effectively managing online education.
- Maximize course offerings for your employees in a cost and resource effective way.
- Discover how to streamline the resource intensive new employee orientation process.
- Learn about the implementation process including timelines and requirements.
- Hear how their product support sets them apart.

Who will benefit:

Anyone who has a vested interest in providing education to employees. This includes:

- Staff Educators
- Human Resources
- Nursing Executives or Managers
- Compliance Officers
